

Atalanta Owners Association

Catalogue of Drawings for the Fairey Atalanta 31

All of the drawings listed in this catalogue are supplied as A3 size prints. In all cases this is sufficient to enable the dimensions and detail to be seen. Members should note that the quality of the drawings is limited by the quality of the original microfilm photography – from which these drawings were derived.

There is no minimum order or minimum charge. Prints should be ordered from Trevor Thompson (Hon. Drawings Master) – address in the bulletin under Calista T10. Please pay by cheque or postal order made payable to the AOA. If in doubt please contact me by phone or email.

Price of Printed Drawings	UK	Europe	World
One drawing only	£2.50	£3.00	£4.00
Each drawing when 10 or more are ordered	£2.00	£2.50	£3.00

Prints will usually be supplied by return of post – unless ordered in the middle of the sailing season when delays due to sailing activity may intrude!

A31000	Atalanta 31 lines plan
A31002 sheet 1	Atalanta keel mounting structure
A31002 sheet 2	Atalanta keel mounting structure continued
A31004	Atalanta 31 general arrangement of ballast keel
